

# Top 10 Benefits of a Corporate Transportation Agreement

**Chipman**  
Relocation & Logistics

## CONTROL MOVING & STORAGE COSTS

Consistent year-round pricing makes it easy to plan and budget for relocation expenses. Valuation is included on every shipment at no additional cost.

## @DEDICATED ACCOUNT MANAGEMENT

Our Client Services team supports clients and their relocating employees, acting as trusted advocates, advisors, and business partners—you can depend on.

## ADVANCED REPORTING & BUDGETING

Chipman provides detailed shipment and program reporting on demand. Our advanced tools help with planning, budgeting, and identifying cost-saving opportunities.

## FINANCIALLY STABLE

Chipman is a debt-free organization in a continued growth mode, committed to providing prompt, fair compensation for our employees, partners, and service providers.

## FAMILY OWNED & OPERATED

Founded in 1939, Chipman remains family-owned and operated—delivering personalized, expert management of household goods moves worldwide.

## AWARD-WINNING QUALITY

For over 85 years, Chipman has delivered award-winning relocation services. We aim to be your partner of choice.

## SINGLE POINT OF CONTACT

Each relocating employee is assigned a dedicated move coordinator—experienced in both domestic and international relocation—to provide the personal support you expect.

## EXTENSIVE NATIONWIDE NETWORK

As a United and Mayflower agent, we provide access to the world's largest moving network—delivering reliable service, nationwide reach, and unmatched capacity.

## DEDICATED PACK, LOAD & HAUL FLEET

Our nationwide pack, load, and haul fleet is focused on self-performing corporate moves—ensuring quality and consistency throughout every relocation.

## PREFERRED SERVICE DATES

Corporate clients benefit from reserved service dates during peak moving seasons. Capacity and service availability remain a top priority.
